TO DEALERS AND RETAIL NURSERYMEN.

WE desire to call the attention of Dealers and Nurserymen who are retailing that we also are retailing, and consequently are compelled to have in stock, in small quantities, a variety of almost every thing found in a retail nursery, in excess of our retail orders.

This, in addition to our surplus, offers a great advantage to those wanting to buy stock either in large or small quantities. Below will be found a partial list of our surplus stock:

10,000 CHERRY, 2 years, No. 1, 4 to 6 feet.

10,000 CHERRY, 1 year, 2 to 3 feet.
